GOAL

To obtain a job where I can be a professional and expressive designer while at the same time providing problem solving results for clients.

EDUCATION

St. Cloud State University
B.F.A. – Graphic Design
Fall 2009

EXPERIENCE

Copies Plus Design Center
Atwood Memorial Center
Saint Cloud State University
720 4th Avenue South
St. Cloud, MN 56301

April 2007 – August 2008

Graphic Designer: Worked with clients from start to finish on projects. Projects ranged from business cards, brochures, flyers, logos, newsletters, posters, banners, etc. Clients were typically either students, and SCSU organization or departments.

August 2008 – December 2009

Lead Graphic Designer: Same duties as before only now I am responsible for managing fellow designers and training in new ones about our software, equipment and project workflow. Other duties include taking inventory and the ordering of paper and ink as well as making sure projects are completed and customers are satisfied with their product.

2008 – 2009 SCSU Link // Design Layout

2009 – 2010 SCSU Link // Advertising Coordinator & Layout

Sentinel Printing Company

250 North Highway 10

St. Cloud, MN 56304

May 2008 – August 2008

Sheetfed Press Assistant: Duties included changing plates, stacking paper, changing ink, press maintenance and cleaning. Gained valuable knowledge on offset printing, and had the opportunity to not only design the 2008 - 2009 SCSU Link, but also print it while working at Sentinel.
